

Community Involvement Fund Sponsorship and Donation Application

Thanks for your interest in partnering with Moneytree! Since the first Moneytree branch opened in Renton, Washington in 1983, it's been our Mission to give back to the communities in which we live and work.

The Moneytree Community Involvement Fund is a vital component of our giving programs and donations are made to groups that devote their efforts to:

- Children & Family Welfare
- Medical Research
- First Responders
- Animal Welfare

If your organization's Mission aligns with one of these causes, we invite you to review our sponsorship guidelines and if you meet the criteria, submit an application for funding consideration.

Moneytree receives numerous applications each year from organizations that support worthy causes, but not all are eligible for funding. Please read the information below before moving forward with the application process. Funding is limited to one time per year, per organization.

ELIGIBLE ORGANIZATIONS

Organizations are encouraged to apply if they meet the following criteria:

- Registered as a charity with 501(c)(3) tax-exempt status
- Provides support to people who live within one of Moneytree's geographical operating regions
- Donation would support one of the key funding areas listed above

INELIGIBLE ORGANIZATIONS

Moneytree's Community Involvement Fund program does not fund the following types of organizations:

- Organizations that are not tax-exempt under IRS code 501(c)(3)
- Political or religious organizations
- Advertising programs
- Third-party fundraisers
- Scholarships paid directly to individuals
- Sports teams (however, teams with 501(c)(3) status will be considered)

HOW TO APPLY

- Review the Community Involvement Fund Program application and guidelines
- Determine if you are eligible according to these guidelines
- Complete the application by the deadline date

Due to the large number of applications that Moneytree receives, incomplete applications will not receive funding. We ask that requests are made at least 60 days prior to the date you need the funding. You will receive a response to your request within 45 days after submitting your application form. Thank you for supporting our community; we look forward to receiving information about your efforts!
